The 1958 Eta Pi Chi is dedicated to a woman who shows uncommon interest in all she undertakes. The enthusiasm she shows in her teaching is unsurpassed; her personality combined with patience and understanding makes her well liked by students. Therefore, we dedicate this book to DOROTHY SYLLING, who first attended high school at Calumet and graduated as a National Honor student. From high school she went to the University of Illinois, where she received her Bachelor of Science degree. In 1954 she came to Evergreen Park and started her teaching career; she now teaches algebra and trigonometry. Many hours of her time are spent

Dr. Batho

The fourth year of the operation of our new school will soon be over. The majority of the senior class will have spent their entire four years in the Evergreen Park Community High School. This class of 1958 has made a tremendous contribution to the success of this new high school.

This senior class is, in a large measure, responsible for whatever standards of conduct, scholarship, and cooperation that we may have. These students and their teachers are to be commended for the exceptionally fine spirit that has become a characteristic of this school. This spirit is characterized by a deep sense of loyalty, of respect for learning and of a genuine concern for the best in spiritual values.

Our school is community, as well as student centered. Our building is used night and day. An excellent adult education program has been inaugurated.

The people of our community, both adults and students, have formed traditions and laid the groundwork for what we believe to be the best educational opportunities. Our task is to continue those opportunities and improve them as we can.

Three women work full time in the school office here at Evergreen Park. They play a big part in the smooth running of this school. The women are Mrs. B. Cheffer, the office receptionist; Miss B. Jozwiack, secretary to the

Principal; and Mrs. A. Meyers, secretary to the Superintendent. Mrs. Triezenberg is employed part time as the school bookkeeper *(not pictured)*.

These women do their work with a smile and are always glad to be of help to anyone.

Evergreen Park Community High School is school which has been built on definitely agreed upon ideals and beliefs.

We believe that the instructional program is th heart of all school operation. All services, includin administration, are appraised in terms of their con tribution to instruction. We recognize that th school is but one of many educational influence daily affecting each student. The school's effect o each individual is profound but not all-inclusive.

We believe that there is very little in the worl worth keeping which is not also worth earning Highly valued in the thinking which guides ou decisions are the ideals of honesty, truthfulness fair play, and mutual respect.

We realize that education, especially in the dan gerous times in which we live, is a challengin occupation, for both pupils and teachers. What w learn may well determine whether or not we ar worthy of survival.

Keeping these ideals and beliefs in mind, w have worked hard with you, the students, to mak Evergreen Park Community High School a schoo of which we can all be proud.

Counsellors

Looking over booklet on financial aid is Miss Lois Skillen, head of the counselling staff.

Busy at correspondence is the counsellors' secretary, Mrs. Margaret Fordham.

Discussing counselling problems are Mr. LaVerne Orton and Mr. John McCarthy.

The counselling department is an integral part of the school. It provides personal, vocational, and scholastic help to every student enrolled in the high school. Additional information and aid is also available concerning colleges and scholarships.

Mr. Orton helps student, Bobbie Bystrom, with her program.

Bright and cheery rooms and corridors are due to the many hours spent every day by our custodians. They see to it that our desks are clean, that our floors are swept and waxed, and that our building is always tidy. Our custodians also contribute to our ever-improving landscape.

Lunch period is probably the most popular period of the day with our students. The reason for that is obvious. Under the management of Mrs. Geiselhofer, this cafeteria staff prepares wonderful meals for the students and faculty.

Now that we have almost completed our high school days, we can look back on four very exciting and challenging years and truly say they were well spent. Our class has experienced many situations that are not usually associated with high school, but every moment has held much enjoyment.

Our freshman year began in the basement of Immanuel Church. The customary electric bell system was not available so a cow bell was used to take its place. One long narrow corridor was the only means by which one hundred seventy students were able to change from class to class. Chartered buses were used to transport us to the grade school so that we could carry on a normal physical education program. Although these unique situations brought some trials and tribulations, they also afforded us with a friendly and closely knit fellowship.

The new building was completed by the time our sophomore year began, and it fulfilled all our expectations. Many new organizations were started. Among the outstanding ones were the varsity athletic teams.

The junior year was highlighted with the junior-senior prom. Our class spent most of the year raising money for this event. The many cake and candy sales and our biggest project, the chili supper, turned out to be very successful.

Our final year of high school is now coming to a close. The excitement of ordering senior pictures and announcements is over. There is still much to look forward to, though, with the Washington trip, senior prom and graduation coming up.

We have progressed from a church basement to a fine high school with a wonderful reputation. This was proven to us when all five of our merit scholars were contestants in the finals. The experiences have been challenging and fun. The doors will soon be closing on our high school days and we can always look back on our years at Evergreen with many fond memories.

Who's Who in the Class of 1958

Ron Muersch, outstanding end for the Mustangs, autographs a football.

These Senior students were chosen by the faculty and student body on the basis of leadership, service, character, personality, or athletic ability.

The top two of the 188 Seniors are Russell Dewey and Pat Gronemeyer, both four-year students at Evergreen.

Diane Selmer served as Editor-in-Chief of the Pine Needle Press and President of the Writ-

Rich Schaefer is an outstanding basketball player and sport letterman.

Violet Simon, one of our future homemakers, won the Homemaker of Tomorrow contest.

Nancy Bullock, a cute 5'4" blonde, was voted "personality plus" by her fellow students.

Monte Glud, Senior President, presides at a class meeting.

Evergreen football and basketball fans will recognize Bonnie Buck, cheerleader for four years.

Donna Dillon and Ralph Kroeger worked as editors of the *Eta Pi Chi* managing all the layout.

Our Student Council President, Phil Miani, was voted by the senior class as the "most likely to succeed."

Three years down and only one left to go. This is what is traveling through the minds of all of us Juniors. Now we pause for a moment and begin to recall the events of our third year in high school which did pass so quickly.

We see that during this last year we were among the main leaders of our school. Many of us were very active in the athletic program and helped to win trophies. The student council, we doubt, could have achieved its goals this year without us. The unforgettable event of the year was the junior-senior prom. In order to make this evening a success we sponsored dances, held bake sales, and sold refreshments.

This year our subjects proved to be quite interesting. Advanced algebra and trigonometry were no breeze, but we sure were taught to think. The meaning of our American heritage was explained through the study of United States history and the prominent literary figures of each period.

Now with these many experiences we feel able to accept the responsibility of becoming the members of next year's senior class.

Returning to Evergreen Park High for a second year of new experiences was not hard to welcome. By now we had out-grown the name of "Freshies" and were eager to receive our new title of sophomores. Everyone was aware of the need to accept more responsibilities.

Certain organizations opened membership to us if we showed interest in their activities. Many sophomores became officers and some of the boys even had the chance to play on the varsity football team. We also were the ones who promoted most of the school dances and usually had the largest attendance.

Geometry, with its many theorems and corollaries, was our most confusing subject. This also was the year when we read Shakespeare's *Julius Caesar*. Included among the noteworthy excerpts are these lines:

"Men at some times are masters of their fates:
The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."

Although we had these difficult subjects we came out on top with the largest number on the honor roll.

Ten o'clock arrival, 5 o'clock dismissal, and 8 o'clock detention: these are among the memorable events of our freshman year in high school. The reason for this being is the over-crowded condition, which will be existing until the new addition is completed.

Since this year was our first taste of high school life, we were not permitted to participate in many extra-curricular activities, nor was the class as a whole allowed to sponsor projects. It was hoped that our extra time would be devoted to study.

On the most part our subjects consisted of algebra, biology, English, and a foreign language. It is apparent that these did keep us busy, but we still managed to have our fun.

The first dance of the year was held in our honor, "The Benny Hop." Not only was it a time to have fun but also it enabled us to get acquainted with the rest of the school. From this dance on, we felt as though we were really a part of Evergreen Park High School and are filled with school spirit.

The Student Council is the most important and the busiest organization in the school. The reasons for this being is that it co-ordinates all other school activities and represents the student body in faculty relations. The council itself is divided into eight committees: assembly, student code, concessions, finance, noon-hour recreation, social, policy, and student handbook.

At the beginning of the school year, each homeroom elected one of its members to represent it in council. This representative had the job of bringing school problems to the attention of the council and voting on matters discussed. Several projects taken up this year were formulating and operating a plan for eliminating tardiness detention, supplying radio music during the lunch hour, flooding a pond for ice skating, and purchasing a water fountain for the cafeteria.

This is by all means a very hard-working organization, and it is very doubtful that our school could be run smoothly if it were not for this group of students.

Senior Girls' Council Gives Needed Service

Discussing future plans are the Senior Girls' Council officers: Karen Schultz, Vice President; Ralene Poat, Secretary; Sandra Bossee, Treasurer; and Karen Dorne, President.

This year's Senior Girls' Council had a total membership of fifty girls who had a sincere desire to serve the school and community. All senior girls who had a "C" average or above were able to participate in this activity. This council corresponds to the Key Club since it, too, is a service organization.

Their many projects included these: selling candy to help the school purchase an organ, supplying information at the open house, and entertaining their mothers at a spring tea.

The Key Club served the school and the community. It helped the Kiwanis in their Kid's Peanut Day, the proceeds of which went to needy children. For other projects the club planted trees in front of school and helped with the Jerry Lewis Muscular Dystrophy Drive. The aims of the club centered on building initiative, drive, and leadership in its members.

Meeting deadlines calls for teamwork among Diane Morang, John Howe, Paul Schoenheider, Jim Sanders and Karen Siple.

News ALL the Time

Combining the talents and efforts of many people, the "Needle" goes to press in bi-weekly editions. News, sports, humor, and opinions are pooled to make this student operated paper by, for, and about the students of Evergreen Park High School.

Beats, interviews, and assignments busy the staff and reporters in an effort to meet their deadlines. Working together and sharing their ideas show the democratic spirit in which the school paper is published, and has been a definite factor which improved the paper each year and helped establish a casual atmosphere in the school. The "Pine Needle Press" is our own!

Character, Leadership Scholarship and Service

Membership in the Evergreen Park Chapter of the National Honor Society is based on scholarship, character, leadership, and service. The honor is conferred upon junior and senior students by vote of the faculty. A "B" average in scholarship is required for eligibility.

The Society is sponsored by Mrs. Wezeman. The formal induction ceremony includes an impressive candle-lighting service held each year at the close of the first semester. Officers for the 1957-58 school year are as follows: Dave Kaiser, President; Donna Dillon, Vice President; Linda Anderson, Secretary; Russell Dewey, Treasurer.

Today's Students: Tomorrow's Teachers

The Future Teachers of America was started three years ago in the hope that it would stimulate interest in the teaching profession. For those already decisive of their vocation, additional counselling services were given. This year's activities included theses: panel discussions with teachers, trips to Normal State Teacher's College and St. Xavier College, and special sessions of student teaching at the Central Elementary School.

Officers for the 1957-1958 school year are as follows: Linda Anderson, President; June Killham, Vice President; Kay Jones, Secretary; Pat Gronemeyer, Treasurer.

The Latin classes have participated in a Roman Banquet and have carried out Julius Caesar projects. All these activities make learning fun.

The Projectionist's Club, sponsored by Mr. Lurquin and Mr. King, is composed of representatives of each class. Sixty qualified operators run audio-visual equipment for dances, classrooms, and assemblies. Only thirty of these sixty are active in club activities.

Equipment available for school use includes five hundred movies, fifty film strips, two movie projectors, two film strip projectors, one slide machine, an opaque projector, three recorders, two phonographs and two turntables.

Camera Club

The camera club had a new sponsor this year, Mr. Finkle. Instruction in the use of a press camera was given by Mr. Urban, the father of one of the members. The members were also instructed on darkroom procedure by Mr. Finkle. These were the club's primary objectives because few of the boys had a camera or the processing equipment to take and print good pictures.

The camera club took practically all of the pictures appearing in the newspaper and a few yearbook pictures were taken by Mr. Finkle and club members.

K9CFC Calling CQ,CQ

The Radio Club, sponsored by Mr. Rippey, offered a challenge to its members. Contests took place every afternoon on the school station K9CFC to see which one of the boys could reach the farthest distance.

On Tuesday and Thursday evenings and during the lunch hour, classes were held in which the boys learned the code and the theory. When they had completed the course and passed the examination, they received their license. Through this club the boys obtained an interest in amateur radio and learned many things about electronics.

In charge of "Dennis the Menace" are L. Alexander, L. Sutterlin, S. Bosse, T. Kolb, L. Phillips, and C. Fix.

Any girl who had a study hall and was interested in office work had the chance to become an office aid. These girls did such things as filing, sorting the mail, making out absentees and detention slips, and working the switchboard. By many of them the switchboard was called "Dennis the Menace."

I am sure that these office aids are one of the main reasons for our office being run so efficiently.

Daily practicing including everything from a Sousa March to a Beethoven movement is just one of the requirements of a member of the Mustang Band.

Under the direction of Mr. James Oberto, better known as "Mr. O," the band entertained many people during the past year. Among its performances were the two traditional fall and spring concerts. These supplied a good deal of enjoyment for the citizens of Evergreen Park.

The graduation dinner for all seniors is given by the Band Boosters, who are also responsible for the printing of all concert programs. This active organization is paying for the spring tour to Boys' Town, Nebraska, which will be taken by all band members.

Approximately twenty-five band members from our school will participate in the yearly conference festival which is held at a different high school every year.

At the Christmas assembly the chorus turns in an excellent performance.

The chorus this year consisted of two classes directed by Mr. Cornelius Vleugel. The varsity chorus is made up of nineteen sophomore, junior and senior girls. Thirty-three freshmen and sophomore boys and girls make up the beginning chorus.

Among the chorus' appearances were the Fall Band Concert on November 20 and the Christmas Program on December 20 in which Gerta Schuessler sang a solo, "Cantique D'-Noel."

When Spring came around, there was an air of excitement. The Juniors were busy planning for the biggest formal dance of the year, the Junior-Senior Prom, "Almost Paradise." Everyone arrived in a beautiful array of colors to see Joe Raymand crowned king and his date, Pat Siddons, queen. After the Grand March most people went out to a night of dining and dancing. An early breakfast and a day of swimming climaxed the weekend. Years later everyone will look back on fond memories of a beautiful weekend.

Entertainment was furnished by Jim Mills of radio WMAQ, where he is a favorite disc jockey.

Homecoming Queen, Nancy Bullock

Homecoming, the first in Evergreen Park, was a big day and everyone went all out to make it worth remembering.

The Queen, Nancy Bullock, was crowned by Ron Muersh at a pep assembly before the football game with Reavis.

The Homecoming Dance on the night following the game was enjoyed by many of the past graduates.

Football Queen nominees are N. Bullock, L. Heller, D. Podgorski, D. Bozzi, and C. Foster.

Pep Club

Have you ever wondered who all those peppy girls were at our games? Well, they're the members of the Pep Club. This club is sponsored by Miss Patricia Ann Phemister to encourage school spirit and stimulate interest in our athletic teams. It is led by Linda Anderson, President; Shirley Claussen, Vice President; Janie Goul, Secretary; and Louise Stack, Treasurer.

The most successful of the club's activities was the first Homecoming Dance. Nancy Bullock, the first homecoming queen, and her court of Donna Bozzi, Lois Heller, and Diane Podgorski, reigned over the festivities.

These girls are full of Mustang spirit.

Lettermen's Club

The Lettermen's Club of Evergreen Park High School was led by Rich Schaeffer, President, and Jerry Pellegrino, Secretary-Treasurer. It is a service club and the main requirement for membership is the earning of a letter by participating one-half year in varsity sports.

If not participants on a varsity team, these fellows help promote team spirit.

Sports

The Girls' Athletic Association is the needed link between girls interested in sports and the girls' intramural program. Without the G.A.A., the intramural program would be without referees, scorekeepers, and sport heads.

Varsity cheerleaders were chosen in the spring of 1957. This was done so they could attend a cheerleading clinic at Illinois State Normal University. They spent five days learning, practicing, and becoming more skilled cheerleaders.

FROSH-SOPH CHEERLEADERS—S. Dorl, J. Goul, D. Curley, J. Gavril.

The frosh-soph cheerleaders, unlike the varsity, were chosen in the fall of 1957.

The main job of the cheerleaders is to promote enthusiasm, good sportsmanship and school spirit which is so essential in competition.

Thursday night Bowling champs: J. Ringbloom, P. Kaczkowski, B. Berger, C. Fix.

The intramural program is open to any girl in school. Some of the activities included in this program are: bowling, volleyball, basketball, badminton, ping-pong, checkers, shuffleboard and softball. Besides the class tournaments, various mixed groups are formed. For the past three years, the Senior class has won the class volleyball tournament. Of course there are also individual sports for the individualist. Challenge tournaments are conducted by members of G.A.A., and a ladder tournament is used.

Badminton Doubles champs: J. Snyder, D. Dillon.

Mixed Volleyball intramural champs: P. Mimrey, N. Korbar, J. Ringbloom, B. Berger, S. Dorl, C. Stewart, M. O'Grady, J. Buckner, R. Belin.

Monday night Bowling champs: D. Rice, J. Campbell, D. Pleger, S. Claussen, C. Dillon.

Sport heads supervise all activities and do all of the planning. The sport head is chosen from the G.A.A. by the members. All referees and score keepers are especially trained by Miss Inman and Miss Phemister for their respective jobs.

Each year at least 200 girls participate in one form or another of the intramural program.

In order to include the freshmen, a special program was held on Tuesday evening.

The Mustangs captured second place in the Southwest Suburban Conference this year, with a record of four wins, one loss, and one tie.

After a loss to Kankakee, the Mustangs opened the conference season with a twenty-five to six victory over Lincolnway.

In their next game the Mustangs beat the 1956 Conference Champs by the score of nineteen to twelve.

The Sycamore Spartans defeated Evergreen six to nothing in a non-conference tilt at Sycamore.

A thirteen to nothing victory over highly rated Bremen was one of the high points of the season.

Spirits dropped, however, when the Rich Rockets defeated the Parkers by the score of thirty-four to seven.

Homecoming brought on new spirit. An enthusiastic crowd watched Reavis score in the last minute of play, to tie the Mustangs, fourteen to fourteen.

The season was topped off right with a rousing, twenty-one to seven victory over Carl Sandburg.

Stan Paluch grabs a rebound in the Reavis game.

The 1957-58 basketball season has now been completed for a long time, but several things that happened during this season will stand out in the memory of the players and also in the memory of those who watched the games this year.

The first varsity trophy that has ever been won by an Evergreen Park team is now on display in the trophy case. The trophy was awarded to the team after a victory in the championship game of the Crete-Monee Holiday Tournament over Peotone. During the tournament the Mustangs also eliminated both the Oak Lawn Spartans and the Carl Sandburg Eagles.

In regularly scheduled games the Mustangs continued their strangle-hold on the Oak Lawn Spartans with two victories beside the one in the tournament.

Reavis also provided little resistance in the two times that they met. The Mustangs won both games.

The development of the team, along with the many close games, drew many more people to the games than have come in the past.

With the end of the season came the hopes of the juniors for a better season next year and another varsity trophy.

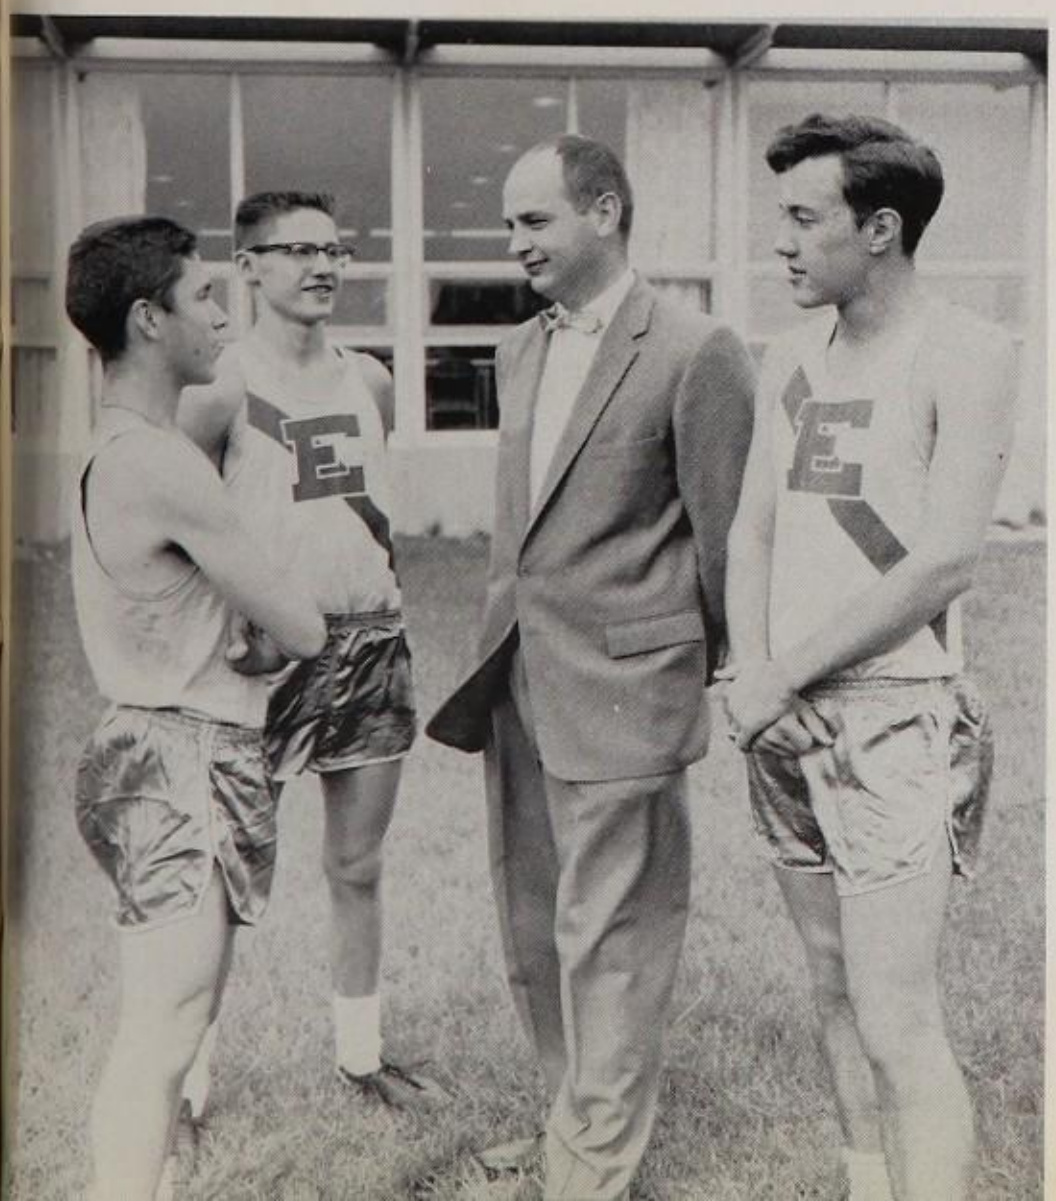
Cross Country

Coach Jenkins advises T. Nemec, S. Ripskis, and E. Topel.



The 1957 Cross Country Team's record wasn't too good even though Stan Ripskis and Ted Nemec turned in fine individual records. The climax of the season was the conference meet in which Evergreen placed fourth.

The 1956-57 track season opened with losses to Rich and Oak Lawn. In the third meet, the Mustangs outpointed the Morgan Park Military Academy. The Mustangs then placed second in a triangular meet with Carl Sandburg and Reavis. Evergreen placed third in a quadrangular meet with Argo, Bremen, and Oak Lawn. In the last regular meet of the season the Mustangs defeated Elmwood Park.

In the Southwest Suburban Conference meet, the Mustangs placed third, behind Rich and Lincolnway.

Jerry Yost broke the conference record in the broad jump with a leap of 20' 4".

Bob Karlo set a school mark for total points scored in the season with a total of 119 points.

COACH GEORGE

Varsity Wrestling

In this first real year of wrestling at Evergreen Park Coach George was very favorably impressed with the wrestlers' showing. The squad consisted mostly of inexperienced freshmen and sophomores with only one returning letterman, Phil Miani. With this in mind Coach George can look to the future when the present freshmen and sophomores will be juniors and seniors.

Although the team had a poor record, the wrestlers themselves showed a do-or-die spirit in the tournament. Consequently the team's record should improve as the boys gain more experience. The varsity record is shown below.

Dec.	3—	EP 3	Morton 43	Jan.	16—	EP— 5	Bremen 38
Dec.	10—	EP 20	Lincolnway 25	Jan.	21—	EP 16	Blue Island 26

In this, our first year of tennis competition, only a frosh-soph team existed. The team record wasn't too successful yet the boys gained valuable experience. Since Coach Douglas is no longer with us, Coach Smith will instruct the 1958 tennis team. If enough boys come out for tennis, a varsity and frosh-soph team will be formed; if not, only a varsity team.

First row: Mr. McCarthy, Coach; J. Hayes, D. Spencer, J. Howe. *Second row:* C. Stritzel, B. Lorenz, D. Wayne.

With the help of Mr. McCarthy the 1957 Mustang golfers placed second in the Southwest Suburban Conference. This thrilling tournament, which we lost by only 7 strokes, was held on the championship course at Silver Lake.

Bob Lorenz placed first with an 83, while Carl Stritzel tied for third, fourth, and fifth, with an 86.
